## Wichtige Hinweise

- Produkte aus unserem Hause sind ausschließlich durch sanitäre Fachhandwerker zu montieren.
- Unser Produkt muss nach den gültigen Normen montiert werden.
- Die Rohrleitungen müssen vor dem Einbau geprüft und gut gespült werden.
- Ablaufleistung der bauseitigen Ablaufgarnitur prüfen.
- Es ist darauf zu achten, dass der gesamte Bereich der Befestigung plan ist und keine vorstehenden Fugen/ Fliesenversatz vorhanden sind.
- Vor der Montage muss das Produkt auf Transportschäden untersucht werden. Nach Einbau des Produkts können Transport- bzw. Oberflächenschäden nicht anerkannt werden.
